Terms and conditions: Applications for Westpac's merchant services are subject to Westpac's approval and eligibility criteria. Westpac's terms and conditions (which can be found at westpac.com.au/presto) and fees and charges will apply. The Point of Sale solutions are supplied by POS Providers, not Westpac. *Standalone mode and 3G fallback is only available on the VX690 terminal. Standalone mode allows you to process card payments through your terminal, without integration with your POS.
