Dear Bernard & Zac

Thank you so much for your wonderful support of the ANF WA Awards for Excellence held recently at the 5 star Pan Pacific Hotel Perth. The night saw the crowning of some of our best newsagents and employees! Special guests at this year's Awards included the Member for Wanneroo; Parliamentary Secretary to the Minister for Commerce Mr Paul Miles MLA, Special advisor to the Premier, Mr John Hammond, Board Member of Lotterywest Dr Maria Harries, and VP of Global Marketing & Executive Director of Buzd, Glenn Weiland.

Zac and Bernard, as you know, nights like these are not possible without support such as yours and we truly thank you for your dedication to the industry. Please find some images below together with a list of the winners from this year's event. There is also a link below to more photos from the night.

Our 2015 ANF WA Retail Newsagent of the Year, Central News Bunbury, **is a proud POS Solutions user and an excellent ambassador for you in WA.**

With regard to other things happening in WA in the point of sale system arena, I will contact you directly with an update on some events here in WA. I am extremely pleased however to let you know that we have now resolved the issue previously discussed with Palmyra Supa News and another point of sale system provider however thank you so much for your offer of assistance! You have helped the store enormously and they are extremely grateful to you and extremely pleased to be back with POS Solutions.

I hope that you may be coming to Carolyn Doherty's farewell at the end of November in Sydney so that I get an opportunity to meet and thank you both personally. I will be in

touch shortly with regard to co-ordinating your advert in National Newsagent magazine.

Best wishes

Sarah
